2. Mèreadesso Woman

What's the appeal? Simplified skin care. Dismayed by the endless beauty options and the need for numerous moisturizing steps and products at various ages, creator Linda Stephenson debuted with just two moisturizers, one for face and one for body. They help protect and moisturize at any age and contain ingredients such as aloe vera, white tea, cucumber, apple, rosemary, zinc, copper and vitamins A, E and C. Recently, she added a multi-tasking cleanser to the mix. Our pick: **Face + Neck Cleanser** is an all-in-one face wash, eye-makeup remover, toner and mask. (\$45, 120 mL; find it at mèreadesso.com)
