**CATHERINE MAIN**

For as long as I can remember, I had an interest in beauty products and cosmetics. It always fascinated me how a little colour in the right places could change an entire look and make someone feel good about themselves. For the last eight years, I have consulted for some of the top beauty companies. People always ask me for product recommendation and I wanted to share what I have learned in my experiences with Sympatico/MSN visitors.

**Mèreadesso Face + Neck Cleanser**

This face and neck cleanser from Canadian based

Mèreadesso Woman® would make any busy Mom on the go happy this Mother's Day. It acts as a makeup remover, cleanser, mask, scrub and toner all rolled up into one. Some key ingredients include Bulgarian rose oil to help reduce redness and jojoba seed oil to break down and remove makeup. This blend works on all skin types including sensitive skin. The cleanser is partnered with a microfiber cloth for application and exfoliation. Item is available for \$45 at [www.mereadesso.com](http://www.mereadesso.com).
