WINTER REJUVENATION

Enhance your body's defences against winter with hydrating skin treatments that will keep skin soft, supple and radiant. Here are the moisturizing tools to protect skin.

Mereadesso Woman - Beautiful Body Balm

Improve skin's elasticity with this easily absorbed body lotion that contains eight vitamins and minerals, and hydrating ingredients such as olive oil, soy oil, and Brazilian cocoa. This lotion can be used by men or women, has a light unisex fragrance and the ability to keep any skin soft and smooth despite the cool winter temperatures.
