SIX Summer Secrets by Carolyn Foy Evans photographs by Amy Pezzicara

This season's best beauty and grooming items

IS Clinical Sunscreen

Outdoor weddings are beautiful, but makeup over a greasy sunscreen is not. IS Clinical's sunscreen protects against UVA and UVB rays in an ultra-thin powder format perfect for wearing under makeup.

Mereadesso Face & Neck Toning Gel

Want a genie in a bottle? Mereadesso's gel combines a moisturizer, serum, primer, day cream, night cream and eye cream into one solution for the perfect base for your foundation. Added benefit: This one-step wonder doesn't hog space in your honeymoon getaway bag. Available on the Internet only: www.mereadesso.com.

Stila Sheer Color Tinted Moisturizer SPF 15

Why hide the blushing bride's natural beauty? Stila's tinted moisturizer has sheer coverage for an even skin tone without the weight of a full foundation. Makeup artist tip: Add a dusting of translucent powder for slightly more coverage.

Laura Mercier Eye Basics

With a wave of the wand this tinted eye crème dries to a long-lasting matte finish, camouflaging any imperfections. Suitable as a primer or stand-alone eye color, plus skin-friendly ingredients make this wonder easy on the eyes.

Big Sexy Hair Frizz Eliminator

Our best find for taming your mane in the humidity. Apply a little before styling, or mix with your favorite styling product. Tip: this is a powerful weapon, so use it sparingly.
