mèreadesso®

I recently was sent some Mèreadesso products to try and over the last few weeks I have really liked the results. First thing I noticed was how little of the product you need to get the job done. The face wash lasts at least 5 months I have been using it for weeks and the bottle still looks full.

I also love the cleaning cloth its makes it super easy to remove makeup even waterproof!

MÈREADESSO WOMAN FACE + NECK CLEANSER:

‡ A non-foaming all-in-one makeup remover, mask, scrub and toner that will even conquer waterproof mascara.

The globally sourced ingredient blend includes botanical extracts and vitamins. Effective as a deep cleanser but gentle enough for use around the eye area. After rinsing, your face will be free of residue and perfectly prepped for our Face + Neck Toning Gel. Comes with a specially designed cleansing cloth (to be used with cleanser every time) in a reusable plastic pouch that's great for holding everything from the cleanser to makeup brushes.

CDN \$45 / US \$38.25

120 mL / 4 oz bottle lasts up to 5 months.

My favorite item from the Mèreadesso line has to be the face & neck toning gel. I love that it combines two beauty steps to save you time on top of that it feels and smells great. Since I began using this product my skin has felt so great on top of being moisturized it doesn't get greasy. Like the face wash you need barely a dot to cover your whole face and neck. I love products that work well and last forever!

MÈREADESSO WOMAN FACE + NECK TONING GEL:

‡ A single-step solution for your face and neck full of incentive to toss every other moisturizer, toner, serum, primer, day cream, night cream and eye cream you own. Talk about minimizing packaging.

This lightweight gel-lotion's globally sourced ingredients include 16 botanical extracts, 8 minerals and enzymes and over 20 antioxidants. Easy to apply, quick to absorb and impossible to give up because the longer you use it, the less you'll need it.

CDN \$120 / US \$ 102

50 mL / 1.7 oz bottle lasts up to 4 months.
